AUDIENCE ON LYNCHING SENATE SUB-COMMITTEE APPOINTED.

U. S. Congress Judiciary Committee Receive Delegation National Equal Rights League Petition For A Federal Anti-Lynch Law. Senators Dillingham, Kellogg and Walsh, a Sub-Committee to Look Into Constitutional Requirements.

Boston, Mass., October 25, 1919. Senator Knute Nelson, of Minnesota, Chairman of the Judiciary Committee of the United States Senate, and Representative Andrew Volstead, Chairman of the Judiciary Committee of the House of Representatives, both gave audience this week to a delegation of the National Equal Rights League, headed by Mr. Maurice W. Spencer, of the District of Columbia, on the subject of a federal law against lynching.

Mr. Spencer presented a petition which contained three telegrams from the Executive Headquarters in Boston to the Judiciary Committee, based on the Omaha, Alabama and Georgia outrages, asking the Committee to frame a bill to prevent and penalize lynchings for passage at this session.

Sub-Committee Appointed

Senator Nelson responded. He said that already, in answer to the telegraphic request signed by President N. S. Taylor, Vice-President M. A. N. Shaw and Executive Secretary Trotter, he had appointed a sub-committee to probe into the legal possibilities with a view to framing a law that might be constitutional.

This sub-committee consists of Senators Dillingham and Kellogg Republicans, and Senator Walsh of Montana Democrat. Chairman Nelson said he would further the matter, and Chairman Volstead of the House said he would aim to support action decided upon by the Senate Judiciary.

The league has issued an appeal for the formation of branches everywhere which can be done on notifying the organizer, Rev. B. N. Murrie, now at No. 1921 13th Street, N. W., Washington, D. C.

W. C. T. U. SUPPORTS REPUBLICAN CANDIDATE

Attitude On Prohibition Given As Reason for Backing Man In Assembly Race.

The New York State Women's Christian Temperance Union, through its president, Dr. Ella A. Boole, has announced that it will support the Republican candidate for reelection to the State Assembly, rather than his Democratic opponent, even though she be a woman, because of Mr. Sweet's attitude on prohibition. Dr. Boole, although in sympathy

with the welfare bills which were defeated at the last session of the New York Legislature, insists that prohibition ranks first in importance because it means protection to the large body of unorganized women in the home. "The Welfare bills will be passed when a campaign of education makes the demand strong enough," said Dr. Boole. "It took 45 years of education to win prohibition. Women voters will bring protection to organized women in less time. The prohibition movement needs men who are leaders, and are not afraid to be counted."
